2. Tenders in duplicate should be addressed to the Executive Engineer, Honnemaradu Survey Division, Jog, in a sealed cover superscribed the same of the Work on the Cover as para No. 1. Prescribed tender forms are obtainable from the Office of the Executive Engineer, Honnemaradu Survey Division, Jog, on payment of annas four (0-4-0) only per form with abstract of quantities.

3. Each tender must be accompanied by an earnest money as noted above for each work paid in cash to the Divisional Treasury and receipt for the same obtained. Such deposit will not carry any interest. No cheques will be accepted.

4. The drawings and estimates for the work will be made available in the Office of the Executive Engineer, Honnemaradu Survey Division, Jog, for information on any working day between 11 A.M. and 5 P.M.

5. Specific rates and units should be given for each items in the Schedule accompanying each tender and the rates should be in rupees, annas and pies and expressed in words and figures. Tenders offering a percentage on the estimate amount will be rejected. Lumpsum contracts will not be accepted. No heed will be taken for any application for any higher rates during execution of the work. The tenderers will have no right on any account to claim for revision of rates tendered for by him on the basis of fluctuations in the market rates or due to any other prevailing conditions during the course of work.

6. Items not provided for in the estimate will be calculated as per Schedule rate or data worked out during execution of work.

7. There should be no alterations or erasers in the tenders in the rates of items and any corrections made in the rates should be attested to and the number of corrections, if any, in each page noted at the foot of the same by the tenderer.

8. The final acceptance of the tender will rest with the Secretary to Electrical Department, Government of Mysore, Bangalore. The successful contractor should bind himself to abide by the Departmental rules in force and execute the necessary agreement on receipt of intimation of acceptance of the tender.

9. The name of successful tenderer will be posted on the Notice Board in the Office of the Executive Engineer, Honnemaradu Survey Division, Jog, in due course, within eight days of acceptance of the tender. The successful tenderer will be required to execute an agreement in the Departmental Schedule contract form for the due fulfilment of the contract and for the execution of all items of work in accordance with the specifications.

10. Failure to comply with the condition or to agree to carry out the work in accordance with the specifications and agreements in force will entail forfeiture of the earnest money.

11. The earnest money of the rejected tenderers will be returned on submission of the receipt originally granted along with an application to the Executive Engineer, Honnemaradu Survey Division, Jog.

12. When once the rates tendered have been accepted, they will not be revised under any circumstances. In regard to items of works not tendered, the rates for the same will be calculated by the Executive Engineer, on the basis of the current rates of materials and labour with a Contractor's profit of 10 per cent as may be approved by the Chief Electrical Engineer. This shall be final and legally binding on the tenderer.

13. The quantities given in the Schedule are only approximate and the Drawings shown to Contractor are only tentative and are liable to alterations, omissions, deductions or additions at the discreation of the Executive Engineer, or his representative. The tendered rates will hold good for any quantity whether higher or lower than those given in the enclosed schedule.

14. No claim of damages for delays caused by officers of the Department in the execution of the works will be considered, whatever may be the reasons for such delays. The contractor should bear in mind when tendering for the work. Extension of time due to delay caused by the departmental officers will however be considered on the merit of each case.

15. For the design and specifications of reinforcements, the decision of the Executive Engineer is final.

16. Watering should be done as per specifications on all works where cement is used.

17. No conditional clause will be accepted.

18. Sales-tax, royalty, etc., will have to be paid by the Contractor.

19. The centage charges will be 15 per cent for materials to be supplied by the Department.

20. Such of the materials available in the Stores should be purchased by the Contractor in the Electrical Stores on payment of each.

21. The contractor should make his own arrangements for transport of materials, etc.
